To Whom It May Concern:

We are in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response.

The telemarketing calls and direct mail expenditures to which you refer in the letter were solely for the benefit of our committee. They were not for public communications as defined by 11CFR 100.26. They did not contain any expressed advocacy as defined under 11CFR 100.22. In short, they were not for the benefit of any federal candidate or entity other than us. They were simply fundraising calls and fundraising direct mail for our committee.
